

* SNOWDOWN SWING

ZAGREB, 28-30. 11. 2025.

A NOTE FROM THE ORGANISING TEAM

Dear Snowdown Swing family,

We are very happy to be able to welcome you to the third edition of Snowdown Swing festival!

This past week has been challenging for us as organizers. A fire in the Vjesnik Tower on Monday, 17 November, made our original venue, Kontejner, inaccessible and without power, even though it was not damaged. We had to find new locations on very short notice during the busy first Advent weekend.

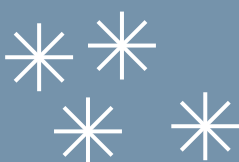

Our team pulled together, worked around the clock, and we are happy to share that the festival will go on as planned. All events now have new venues, and the updated schedule is available.

We're sad we won't get to experience Kontejner with you this year, but we're grateful the festival continues. Our thoughts are with the Kontejner team, and we hope everything is resolved for them soon. We also want to sincerely thank everyone who jumped in to help us, with either advice, their time or kind words.

Thank you for your understanding. After everything, we can't wait to finally see you all on the dancefloor!!

GETTING AROUND ZAGREB & IMPORTANT INFORMATION

Public transport

Even though Zagreb is quite easily explored on foot, we have a system of trams and buses (ZET) that we recommend you to use to get around more quickly! You can buy a ticket at the kiosk or in the tram/bus from the driver (but it is more expensive). There is also an option to install the [MOJ ZET app](#) and use it to buy tickets more easily.

TAXI service

When you do not want to wait for the tram or you want to get home faster and more comfortably be sure to have BOLT or UBER apps on your smartphone to order a TAXI. Here are also phone numbers of some local TAXI services (there are also apps available for them):

EKOTAXI +385 (0) 1 1414

Taxi Cammeo +385 (0) 1 1212

Radio Taxi: +385 (0) 1 1717

Parking

If you are arriving with your car you should know that Zagreb has different parking zones around the city with different price ranges. You can check the prices for each zone [here](#). Also, you can install the ZgPark mobile application to easily purchase, pay and top up parking permits at public parking lots and public garages.

Christmas market

Zagreb is quite a charming city and you will be able to get to know it during that ADVENTurous time of the year! Here is a website to check all the places you need to see: [Advent in Zagreb](#).

Money, money

The official currency is the Euro, and in most places, you can pay by card. However, it's good to have some cash with you, especially if you plan to buy drinks at parties where only cash will be accepted.

Public bikes

Zagreb has a network of public bikes operated by NextBike. If you install the [app](#) and register, you can ride for just 50 cents for 30 minutes.
